Education is the training of the mind either by formal schooling or experience.

Enlarged, however, it is the constant exchange of ideas and opinions, a practical application of knowledge and the ability to come to a logical conclusion.

It is the breeding of self control and good manners and the awareness of courtesy, a preparation necessary if there is to be a future.

Dontown serves as a perfect example of a community which offers a center for this training and a place to gain this experience.

It is a body of people with a common interest and goal . . . the education of the many and the self-improvement of the individual.

During the past year, Dorsey's principal, Mrs. Elizabeth Goetten, has been on a sabbatical leave.

Mr. Earnest Naumann came to Dorsey as principal in the interim during Mrs. Geotten's absence. Toward the middle of last semester, Mr. Naumann was offered a permanent position as principal of Reseda High School. At the same time, the present Girls' Vice Principal, Miss Johanna Hofer, was offered a higher position as principal of John Muir Junior High.

Mr. Carroll Lockridge then came to Dorsey to finish out the year as our principal.

VARSITY FOOTBALL

The Don squad finished in third place this season. Our only defeats were by Fremont and Jefferson. Out of a total of 216 points, 60 were scored against us.

Dorsey started out by downing San Pedro, 25-13, scoring all of our touchdowns in the first half. As the game continued, we held them to only two touchdowns and took our first league win. The Venice night game was a real test to our defense. We defeated them 20-0. In the annual Milkbowl game, we scored in every quarter against the Fairfax Colonels. We took the trophy with a 33-0 score.

Our alumni viewed a 26-14 victory over our arch-rivals, the Los Angeles Romans. Los Angeles surprised us with a 74 yard touchdown run, but with the aid of Washington, Clark, Wade, Storey and Meeks, we came right back to win the game. We upset Manual Arts by a 13-7 score. This happened as a result of a few miscalculations on the part of Manual Arts. A recovered fumble in M.A.'s end zone gave us our first score. A pass thrown by Jay Clark to Kenny Washington in the fourth quarter gave us our winning touchdown.

Our first defeat came after playing 59 minutes of championship ball against Fremont. Our Dons fell to Fremont, 7-6, in the last minute of play. It was a real heart-breaker for the Dorsey rooters. Jefferson administered a second straight loss for the Dons by tripping us up, 19-0. This loss took us out of contention for the league title. We wound up the season by routing Washington, 33-0. Everyone played well and made this a great game with which to finish the season.

Outstanding seniors for us this year were Ray Young, JaVance Brown, Walter Buncom, Robert Dixon, Donald Demps, Willie Cooper, Louie Curnett. Seniors in the backfield were Kenny Washington, Jay Clark, Wesley Wade, Charles Meeks, Fred Walzer, Gregory Storey, Larry Siegal, Paul Carr, Merrill Mefford, Ted Broadway, Tom Tomason, and Sam Kardashian.

HOMECOMING

Reigning over the school on Homecoming Day, October 14, was Queen Drucilla Hill and her two princesses, Mary Stoddard and Joan Sullwold.

The day's activities began with a circle assembly at noon where the royal court was crowned. Then some alumni who had been active in school activities while at Dorsey were introduced. Among the alumni were past editors of the Dorseygram and Circle, yell leaders, and members of the first football squad at Dorsey. The assembly closed with the singing of the Alma Mater.

The big event of the day was the football game with Dorsey's arch-rival, Los Angeles High School, at Rancho Cienega.

During half time, the Dorsey cheering section entertained the L. A. rooters with card tricks while the band played several numbers on the field. Towards the end of half time, Queen Drucilla and Princesses Mary and Joan rode by the stands and then joined the cheering section to cheer the Dons to a great victory.

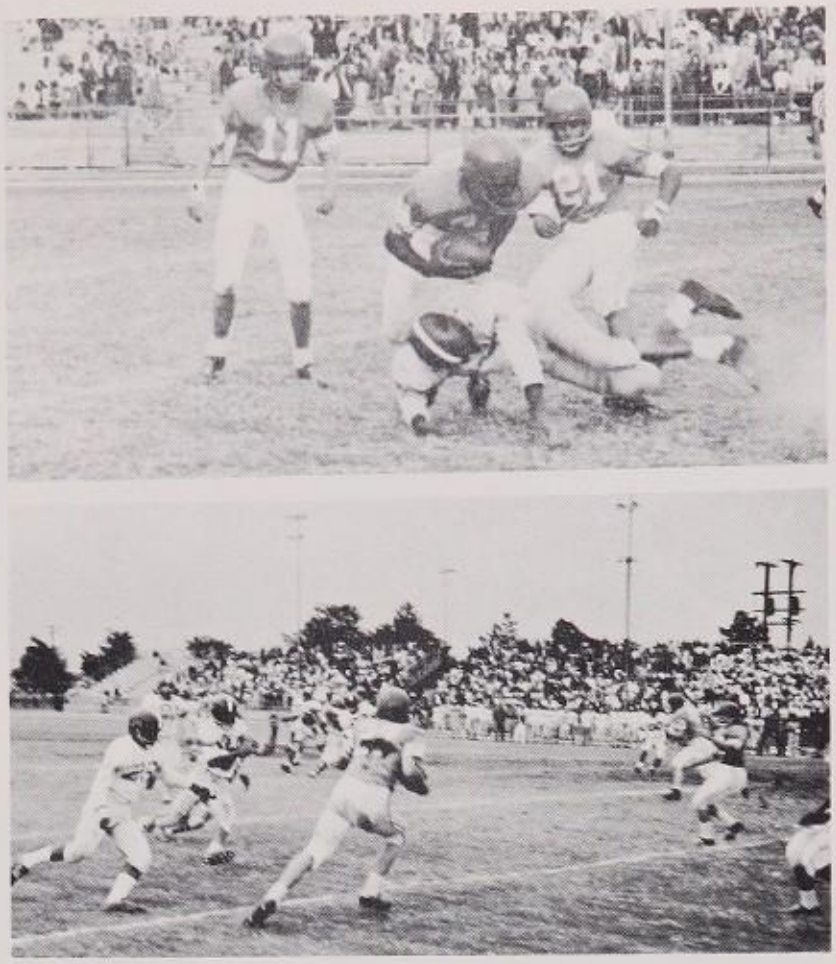
DORSEY VS LOS ANGELES

The stands were packed by Dorsey students and alumni as they watched the traditional homecoming game against Los Angeles High from which the Dons emerged victorious, 26-14.

The most colorful play of the game was a 48-yard touchdown run by Wesley Wade in the fourth quarter. Wade broke into the open after reversing his field three times and eluding four would-be tacklers.

Dorsey drew first blood as it scored after Fred Walzer blocked and recovered a Roman punt. Kenny Washington then fired a 21-yard pass to Donald Demps who was waiting in the end zone for the tally in the first quarter.

Washington tossed two touchdown passes in the first and third quarters and Clark added another T.D. in the second quarter with a pass to Gregory Storey. Wade made a fabulous run for another tally in the fourth quarter.



Dorsey defeats Los Angeles 26-14.

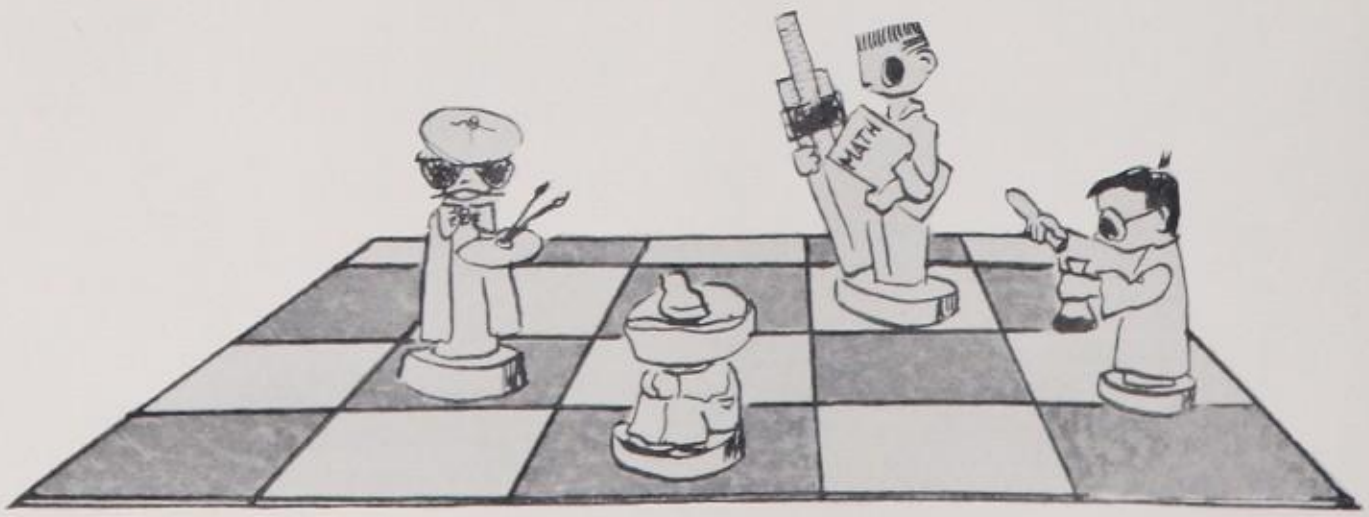
DONTOWN'S VARIED INTERESTS



Interest clubs have become a big part in the Dorsey community. The main purposes of these clubs are to provide special programs and informal get-togethers so that students might increase their knowledge in each field. Yet they have a very enjoyable time doing so.

Some of the interest clubs are Science Club, Math-Engineering Club, Chess Club, Spanish Club, and French Club.

Along with special speakers and films, the Science and Math-Engineering Clubs organize and take field trips to varied places of interest.

Dorsey has one of the finest Chess Clubs in the city. Last year the club placed third in the all-city tournament.

The French and Spanish Clubs use their club meetings to practice speaking tneir respective languages and to learn about the origin of the language and the people who speak it.

These clubs along with many others meet weekly and play a very significant part at Dorsey.

BASKETBALL

VARSITY BASKETBALL

The powerful and free-shooting Dorsey basketball squad, closed one of its finest and most successful seasons in the Dixie Loop by trouncing the Washington Generals 79-66. This was only one of the striking examples of the much improved Don squad.

Some of the standouts of the past season were Walter Gordon, who scored 38 points in the aforementioned game giving him the new school record, Larry "Pancho" Gower, who maintained a ten point average throughout the season, and Lonnie Willis who was very consistent all season, also William Cook with his outstanding rebounding.

Dorsey's basketball squads seem to have finally reached the point where they are no longer apprehensive of the Southern League, and next year's squad should prove this.

FOREIGN EXCHANGE STUDENT

This year Dorsey had the pleasure of playing host to Brigitte "Gitta" Kleist, foreign exchange student from Munich, Germany. With the help of her American foster family, the Carters, Gitta was able to lead the life of a typical Dorsey teen-ager.

We hope Brigitte will return to Germany with as favorable impression of us as we have of her.

To my Dorsey friends,

One year ago when I left Germany to come to the United States as an American Field Service Foreign Exchange Student, I certainly did not quite realize what a marvellous year was laying ahead of me. Naturally I was more than happy and excited about this scholarship I had received, but, without admitting it then, I was also a little bit scared about the things to come.

From the very first day in the United States, however, all those fearful thoughts were pushed aside and in their place came a deep and growing love and a great thankfulness for this country and its people, who have become my new friends, teachers, and schoolmates.

The great experiences I have gained from having had the opportunity to attend such an outstanding school as Dorsey, will stay in my mind forever. But furthermore I shall try to do my very best in sharing these experiences with people in my own country.

I would like, therefore, to thank every single one of you with my whole heart for the wonderful time I could spend here in this country. My thoughts and good wishes will always be with you. May God bless you!

Brigitte Kleist

Death is the cry of the lady in black
The loss of a life held so dear.
But shy is black the color of death
When the color of tears is so clear?

Weep not, dear lady, for the loss is but small
Compared with the happiness shared.
Let white be the color of the cloak you wear
For black is the color of fear.

—Steve Hitt, S'59

I hate the vacant mood which bars the mind
From lively thought . . . when mere desire to soar
To lofty heights of inspiration tends
To firmer lock the hollow vault. I fear
My pen I'll never lift . . . yes lift; but stop
Midway in air and let it drop because
The hand is weak. Perhaps the ebb of verve
Descends and lingers till the tide of thought
Is full and rushes to the shore of word.
I doubt fulfillment grants the joy to once
More mount the golden stairs another time . . .
But still this urge exists and restlessness
The foot can stir—behold! Again I leap
To see creation in my soul re-born!

—Eleanor Fynger S'59

Empty space
Filled only with emptiness.
The beauty of nothingness
Being nothing.
The light of this vacuum
But a shadow,
Its decoration the inelaborate,
And its simplicity eloquent,
Its limits unrestricted
And its substance negligible.
A singular beauty unmarred
And unhampered by time.
Its sympathetic essence

Unruffled by its surroundings.
Undefiable and always present,
Yet undefinable and constantly aware
Of the inadequacy of its being.
So empty,
This empty space,
And so complexingly simple.

—Les Aron W'59

Am I living or is this death,
Is that which I experience today
The culmination of a million lives
Once lived, but now forgotten?

Is the pattern of my life already drawn
So that life is only doom?
Is it possible to break the pattern
And live this life myself? Can I, so small compared with
Numbers before me, start again the cycle
Which lets the heart run free?

Have I the strength and fortitude
To do what can't be done?
Can I be dared, and meet that dare
Then do it all once more?
Have I the courage to think out loud
And turn my thoughts to deeds?

Will I take responsibility for actions of my soul?
Will I guard my wild spirit
From soaring too high into nothingness
Can I control the mind
Which seeks its answers from life itself?
And is my mind so strong that it can
Supress a dancing spirit and a probing soul?

I answer yes!
I have the will
If God will take my hand!

—Sue Abell W'59

What a funny title you carry around,
With your weathered face and hands of brown,
Is it true you have no job, how do you eat?
What do you do?
Is it because you have no home
That you walk the roads and forever roam?
Or is it because your special life of milk and honey,
Doesn't include the thing called money?
You work only in the fields, only when you must
Yet your pants need patching, your pans gather rust.
Is it because you like it this way?
Or work too hard, with little pay.
You walk through life a toiless pace
And often times I would take your place.
But alas, I am always told its no way to see
The world, especially for a six year old.

D.C.F.I.N.I.I.A.S.A.

This is an organization solely for all students who are not in any activities whatsoever and need something for job applications.

The attendance at their meetings are usually small as qualifications for membership are quite rigid. However, the members are always on the lookout for prospective members. The climax of the year's activities was the bombing of Mr. Toomey's office. Therefore, next semester the club will not be recognized as they did not file for this event.

Officers were: President—Alfred E. Newman, Secretary—Peter Gunn, Treasurer—S. Claus, Social Chairman —Joe Cool, Sergeant at Arms—John Law, and Faculty Advisor—A. Wolf (Mr. Johnson).

And for those select few who don't know what D.C.F.I.N.I.I.A.S.A. stands for . . . you lose.*

In ancient Athens, the EPHEBIANS constituted a distinct official order, recognized and honored by the State, and regarded by the people as the hope and pride of Athens. This translation of their oath is taken by each member upon Initiation into our modern counterpart organization, THE EPHEBIAN SOCIETY:

"We will never bring disgrace to this our City by any act of dishonesty or cowardice, nor ever desert our suffering comraces in the ranks; we will fight for the ideals and sacred things of the City, both alone and with many; we will revere and obey the City's laws and do our best to incite a like respect in those above us who are prone to annul or set them at naught; we will strive unceasingly to quicken the public sense of civic duty. Thus, in all these ways, we will transmit this City not only not less, but far greater and more beautiful than it was transmitted to us."

BASEBALL

Dorsey's defending Southern League and All-City Champions were within one game of pace setting Washington as the season entered its final stages. With returnees Howard Kaplan (.455) 2B, Kenny Washington (.389) 1B, Stewart Salkin (.286) SS, and Kenny Norwood (7-2) P, leading the way all signs pointed to a championship clash with Washington in the final game at Dorsey.

Marked improvement by Dick Green (.296) behind the plate and Dickie Williams (.278) in CF, combined with the steady play of Willard Love at 3rd and Jim Johnson and David Gray in the outfield, makes the Dons strong contenders for the All-City crown again.

DORSEY 10 L A 6

Don assault led by Kenny Washington with a single and triple and RBI singles by Green and Salkin. Romans tallied six times on two hits and five walks in 5th. Kenny Norwood struck out ten.

DORSEY 14 MANUAL ARTS 3

With Roy Campanella on the Dorsey bench, Dons scored six times in 2nd inning. Howard Kaplan drove in four runs with two doubles and 2 singles. Love, Johnson, and Kaplan cleared Manual's left field fence for doubles.

DORSEY 1 FREMONT 0

Kaplan's line single scored Jim Johnson with winning run in 8th inning as Kenny Norwood pitched superb three hit shut-out striking out twelve.

DORSEY 3 JEFFERSON 0

Norwood extended scoreless innings to 19 with NO HIT NO RUN feat. Six walks made game close. Dickie Williams' speedy base running along with run scoring singles by Kaplan and Salkin accounted for Don's runs.

DORSEY 0 WASHINGTON 3

Dons held to two hits by Washington lefty McMillion. Eight runners left stranded as Dorsey receipted for first loss before 400 cheering General fans.

DORSEY 18 L A 4

Kenny Washington drove in eight runs with bases loaded homer, three run homer, double, single, and walk. Norwood, Wykoff, and Kaplan shared pitching chores.

MAY

The twenty-first annual May Day Festival was held on the first of May, nineteen hundred fifty-nine. This is a tradition of which Dorsey has always been proud. The May Day is the one day in the year which is especially set aside for the Donnas.

The theme carried out was "Carousel," along with the color scheme of yellow and white.
